

BC YOUTH PARENT NEWSLETTER

Hey BC Parents! Fall has been amazing! Here is a quick recap of November.

Our Wednesday night youth group has been going strong with an increase in the number of students who attend! We are continuing our series on Life as a Christian, discussing Jesus' teachings in the Sermon on the Mount. This series will take us all the way to Christmas Break.

We were able to attend our network's Next Gen Conference, where we got to dive into the presence of God and feel the Holy Spirit move! It was a fun and rewarding trip, we heard from great preachers, breakout speakers, and had an amazing time getting to worship our Creator!

We got to enjoy our All Church Thanksgiving and fellowship around great food and gratitude!

Looking forward to Winter, we have a lot of fun things happening! I have attached a calendar with an overview of December through February, so you can save the dates and be prepared for all the events!

Looking specifically at December:

After taking a little break for Turkey, we will have our regular Wednesday night youth group starting on the 3rd of December and ending on the 10th.

December 14th will be our HS only Youth night where we dive deeper into scripture, continuing our series on the Fruit of the Spirit!

December 17th will be our XMAS Party! So be prepared for some fun, shenanigans, and holiday related snacks!

Our Church will be having a Christmas Eve Service on December 24th.

There will also be no youth the week of Christmas and New Years. Enjoy some holiday time with your family, and we will see you back on January 7th!

Looking ahead to February, We will be attending Winter Retreat at Silver Lake Bible Camp again this year. Cost of attendance is \$195.00, with a \$75.00 mandatory payment to hold your spot. One final thing, if you would like to stay up to date in a text format, you can text the word "Numbers" to 84576, and this will add you to our text chain that I send updates to our students for all of our BC Youth info. You can also email me at bcyouthministry37@gmail.com. Please let me know your name, students' names, and an email address so I can better keep you informed as we go forward.

Blessings,
